

Amuthavily Mahenderarajh

Optometry Undergraduate

Jaffna, Sri Lanka | amuthavilymahenderarajh@gmail.com | 0764876429 |

Professional Profile

Aspiring and dedicated Optometry undergraduate (BSc Hons) equipped with a solid foundation in physical optics, ophthalmic dispensing, and primary eye care.

Eager to join within your premier vision care platform to translate academic knowledge into high-quality patient care. This opportunity represents a critical milestone for my professional trajectory, offering invaluable hands-on clinical exposure while providing the financial independence necessary to sustain my academic advancements.

I am fully committed to bringing a strong sense of accountability, standard-compliant clinical support, and an eager willingness to learn to your dynamic practice.
